

Koorakee Energy Park - Invitation

The Koorakee Energy Park team invites you to a Community Drop-In Session to learn more about the proposed renewable energy park and provide your feedback and perspective.

The proposed Koorakee Energy Park will be located 12km north of Euston.

It will consist of a wind farm with up to 167 wind turbines, a solar farm and battery energy storage.

We are at the early stages of project development and seeking community feedback and input.

RSVP is not required
Refreshments will be provided
