Subject: Ungula Wind Farm – Environmental Management Strategy

Dear Ms Kidziak

I refer to your submission dated requesting review and approval of the Environmental Management Strategy for the Ungula Wind Farm (SSD-6687). I note the Environmental Management Strategy contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Environmental Management Strategy (Rev 005 dated 17 March 2025) for Stage 1 (excluding the battery energy storage facility).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Keren Halliday 02 8289 6444.

Yours sincerely
