Uugula Wind Farm: Biodiversity Management Plan

Dear Ms. Gordijn

Thank you for submitting the Biodiversity Management Plan in accordance with Condition B23, Schedule 2 of the consent for the Uugula Wind Farm (SSD-6687). I also acknowledge your response to the Department's review comments and request for additional information.

I note the revised Biodiversity Management Plan has been prepared in consultation with BCS and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Biodiversity Management Plan (Rev 005, 31 August 2023).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
